# 2. USE CLAUSE

Permittee shall use the facility only for the specified activity set forth in the Permit and for no other purpose. Permittee shall comply with all provisions of this Permit and the Facility Use Regulations attached hereto as Exhibit A and incorporated herein by reference. In addition, Permittee shall comply with all applicable federal, state, county or municipal law, statute, ordinance and regulations.

# 3. CANCELLATION AND TERMINATION

A. Permittee must notify the Events Services Administrator in writing of any cancellation of the Event. In the event of any cancellation, Permittee and the City recognize that it would be impracticable or extremely difficult to fix the actual damages resulting from a cancellation by Permittee of the Event covered by this Permit. Permittee and the City agree that the following schedule is a reasonable estimation of the City's damages if Permittee cancels the Event covered by this Permit, and Permittee agrees to pay the City that amount as liquidated damages and not as a penalty.

- \* Within thirty (30) calendar days of receipt of deposit, 50% of the deposit paid will be refunded to Permittee.
- \* After thirty (30) days of receipt of deposit, all fees will be nonrefundable and will be held by the City.
- \* The City reserves the right to cancel the Event if the Total Facility Charge is not paid within thirty (30) days prior to the Event or if signed permit is not received within five (5) business days of receipt of deposit. The City may release the space held and retain any payments received and is not obligated to pay interest on any such charge.
- \* If the Permittee reserves multiple spaces and cancels any or all permitted spaces thirty (30) days after receipt of deposit, the full amount of the facility charge is due and any payments non-refundable.
- B. If the City is forced to cancel the Event due to occurrences beyond City's control or force majeure or any other unforeseen circumstances that require cancellation, the City will refund all monies paid to the City for said event and will exercise best efforts to reschedule.
- C. If the City, in its sole discretion, determines that Permittee has failed to comply with any provision of this Permit or Facilities Use Regulations attached hereto, the City may terminate this Permit immediately and shall retain any payments received.

#### 4. INSURANCE

Permittee shall furnish the City with certificates of insurance and with original endorsements affecting coverage required by this clause. The certificates and endorsements for each policy are to be signed by a person authorized by that insurer to bind coverage on its behalf.

- A. Prior to Permit being granted, Permittee shall procure/maintain a Commercial General Liability insurance policy in the amount of one million dollars (\$1,000,000) per occurrence. The policy must provide coverage for participant liability. Events with attendance in excess of 100 persons will be required to provide Commercial General Liability insurance in the amount of \$2 million dollars (\$2,000,000) per occurrence.
- B. The City of Santa Monica, its Annenberg Community Beach House, officers, officials, employees and volunteers are to be named as additional insureds with respect to liability arising out of or in connection with the Permittee's possession, occupancy, operation or use of the Facility.
- C. The insurance policy shall be endorsed to state that coverage shall not be canceled except after notice has been given to the City.

Permittee agrees to indemnify, hold harmless and defend the City of Santa Monica, its Annenberg Community Beach House, and all of its City Council, boards and commissions, its officers, agents, and employees from and against any and all loss, liabilities, damages, judgments, actions, costs, claims, and expenses (including attorney fees) arising out of or resulting from any act or omission, negligence, fault, or violation of law or ordinance by Permittee or its representatives, employees, agents, subcontractors, patrons or invitees in connection with the use of the facilities, excepting only events caused by City's sole and active negligence or willful misconduct. Approval of insurance policies by the City shall in no way affect or change the terms and conditions of this indemnity agreement.

# 6. DAMAGE AND REPAIR OF FACILITIES

The Permittee agrees to pay for all costs of repair in the event of any damage to the Beach House as a result of the use of the facility pursuant to this Permit.

# 7. FORCE MAJEURE
